THE CLASSIC CUT

Bralette bikini tops will always make the must-have list. This is because they have something to offer women with small or large busts. If you have a small cup size, the design helps to mould and shape your bust while those with padding accentuate it. If you have a large bust, the underwire feature provides added support and a great lift. Bralette styles also complement casual bottoms such as shorts or loose-fitting skirts for a laid-back affair.

EMBRACE PRINTS

Floral and palm prints go bolder than ever this year with large motifs splashed across garments in graphic detail. Heavily printed swimwear is also great for concealing any parts of the midsection you may be uncomfortable with by causing a distraction for the eye.
