L' Homme Nu X Art

Postcards From Australia is a voyeuristic photo essay lensed over the span of six months in Australia by master fashion photographer Pat Suspiri. This exclusive photo essay paints former professional tennis player turned muse Miles Bugby in luxurious solitude, laid bare in the wild. After all, every man is an island.

THE PERFECT MAN

Let's
get lost

There is pleasure in the pathless woods, there is rapture in the lonely shore, there is society where none intrudes, by the deep sea, and music in its roar, I love not man the less, but nature more.
