THE VARSITY JACKET

In the 19th century, American universities issued sweaters or cardigans to their athletic teams to help distinguish them from other sports or rival universities. In the '30s, the sweater style was replaced by the cotton jacket with contrasting leather sleeves, known then as the varsity jacket. The practice of sewing letters carried over to this style, giving birth to the letterman jacket. Today the style has evolved from collegiate to athleisure, often with the body of the jacket being made from a rich silk or satin with an animal embroidered on the back. It's a statement piece, so keep it simple by pairing it with a tee and jeans, or a printed suit trouser and a pair of designer kicks.
