WIT LAAT DIE KOPPE DRAAI (bl. 65)

As daar nou een moet-hê-rok is dié seisoen, is dit 'n sensuele wit rok. Een wat op sy eie die praatwerk doen. Al rol wat bykomstighede speel, is om dit tussen informeel en semiformeel te transformeer. Wit midirok met strikdetail op die skouers (R1 480), LENA LISA. GROQTIES Rok: XS - XL

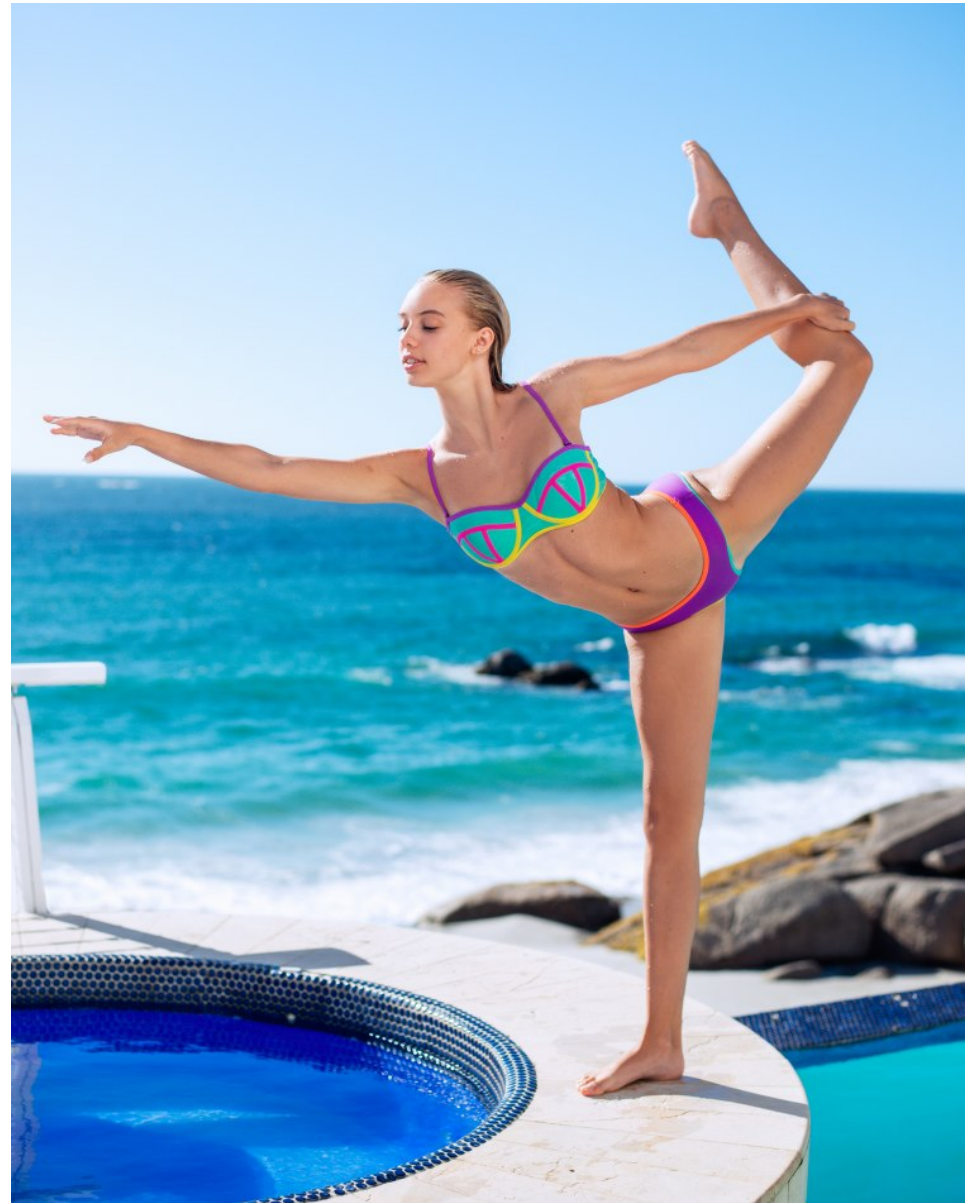

PRET MET PIENK

Voel goed en lyk goed in 'n helder kleur van kop tot toon - net wat nodig is om die nuwe seisoen te omhels.

LIG SOOS 'N BALLERINA

Die geheim van hierdie trend is om nie oral vel te wys nie, maar deursigtige stowwe laag op laag te dra. Kombineer items in maasstof, organza of chiffon met growwer teksture soos denim vir 'n informele dog sensasionele voorkoms.

Beige manteljas van maasstof (prys op aanvraag), Stephen van Eeden Atelier. Jeans met hoë middellyf (R799), Poetry. GROOTTES Jas: Op aanvraag Jeans: 6 - 18
