Stilavė, GAVIN RAJAH

## Mada

## *Pajūrio perlas*

Ar kada nors pagalvojote, kaip šandien rengtųsi undinėles? Jūros numylėtos gražuolės puošytų kriauklėse atgyjančia perlmutrine ir mėlyna spalvomis, dabintųsi perlais ir įmantraus, tarsi jūros bangas atkartojančio silueto suknelėmis.
