## NEGATIVE SHADOW

Welcome to the new frontier of eyeshadow. "Dep your lids with an oil-free shadow base," says celeb makeup pro Patrick Ta. Fill your inner and outer corners all the way up to your brow and around your lower lash line. Leave a gap at the centre. We like [4] *LCN Long Wear Eyeshadow in Natural* (R600/22).

## BUTTERFLY BRIGHTS

Insta-worthy drama is your aim. Frame and wing your eyes using a dark shade. Then blend a lighter hue from the centre to the inner corners. **TRY** [8] *Elizabeth Arden Eyeshadow Trio in Touch of Lavender* (R390). Add a clear gloss, like [10] *NYX Professional Makeup Mega Shine Lipgloss in Clear* (R120), to finish. ✨
