ring R795, both Jangji;
glasses R3 607, Luxottica;
bag R229 99, The Fix

Find the fine PRINTS

Take your prints up a notch this season. Florals will always be beautiful and dainty (and this season is seeing the introduction of 'tea-party florals') but the print getting all the attention is geometric. Mostly inspired by the '60s or '70s, it's really about going bold (and a little groovy, baby).
