Hair

NATURALLY ME

This 100% Indian Remy hair is from South-East Asia. To style it, use a curling iron at a low temperature to blend with your natural hair or define the curls. To revitalise the curl pattern, simply use a paddle brush to detangle, distribute product or spritz with water, scrunch and allow it to air-dry. To maintain this hair, invest in a mousse, light oil or curl-defining crème. Remember, curl-defining products are more effective when applied to wet hair.

Tip: Keep styling products to a minimum to prevent weighing down the hair.

Indique SEA Fiji Curl 16", R1 740 per tube. You'll need two tubes for a full-head installation.
