BOLD AND BLOSSOMING
Garden party, lunch with the girls or daytime festival lined up? A floral two-piece is your go-to ensemble as it is fresh and playful. Cropped off-shoulder tops and ruffled styles are the faves for this year!

THE SUIT REWORKED

A lightweight duster jacket and trouser set is a great alternative to a regular straight-cut suit. This is especially so on hot days where comfort is key. Give it a formal feel by pairing with pointed heels. Vertical stripes will complement your body by elongating your frame.

GET SPOTTED

It's no secret that polka dots are having a fashion moment this season. Synonymous with fun, this retro print is the perfect addition to your festive wardrobe. Tailored shorts are great because they are the perfect mix of fitted, grown and trendy. This makes them the style of choice at the moment.
