## Late BLOOMER

Florals are typically synonymous with spring, but these are not your typical sunny-sky blooms. This crop of botanical prints give the look a moody, wintry twist.

**Dark romance**  
Create a mysterious, romantic look by combining muted and dark colours with dramatic floral detail. The long, flowy skirt also adds drama.

### Puff piece

A short-sleeved knit sounds like a contradiction in terms, but it works so well on those in-between days. This neutral textured one goes with everything – and really lets this beautiful printed skirt shine.
