BOBBY-PIN COVER-UP

Cover your natural and relaxed hair with this easy hair style. Brush the hair upwards and tie it into a ponytail. Lay a long length of a straight hairpiece on the front of your hairline and pin it. Then continue wrapping the hairpiece around your entire hair while brushing the hair flat and pressing it securely. This creates the illusion of fullness all around. Finally, add vibrant colors and boogie-gals to the front of the style as accessories.
