## ISLAND STYLE

Tropical print and spring go hand in hand. The print is fresh, fun and vibrant. Pair an off-the-shoulder top with loose wide leg pants for a stylish daytime look.

### BEAUTY TIP

Short curly hair is easy to maintain. Just a few spritzes of water or leave-in conditioner and you're good to go. This hair works with both casual and formal wear.

### BEAUTY TIP

Head scarves are the best holiday hair accessory as they protect your hair from harmful sunrays. Remember that hair also needs as much protection from the sun as your skin.

## ACCESSORISE IT!

Geometric shaped earrings, vividly printed head scarves and chunky necklace layering are trending. Statement accessories take the guesswork out of making a simple outfit pop, so don't be shy to maximise on these pieces.
