The formulations and sophistication of skin-refining products improve each season. Here are some of our favourites, with a sprinkling of colour products to complement your glow

**PEELING FACE MASK**  
Theravine takes its cues from environmental nestles for this superb face mask, the **ULTRAVINE ADVANCE REJUVENATING GOLD COLLAGEN FILM, R277**. It combines plant-sourced collagen, aided by 24ct gold and diamond dust to enhance its moisturising, brightening and protective factors.

A close-up photograph of a woman with her eyes closed, peeling a shimmering gold face mask from her skin. The mask is being lifted from the right side of her face, revealing her skin underneath. The background is a plain, light grey.
