BEAUTY

Once you've mastered the minimalist and luminous make-up trend, you'll never look back!

**POP OF COLOUR**  
BRIGHT SHADES NEED NOT BE TOO BOLD. APPLY EYESHADOW AND BLEND IT OUT FOR A MORE SUBTLE FINISH.

By **TSAKANE NDLOVU** Photographs **JURIE POTGIETER**

**LIGHT TOUCH**  
THE TRICK WITH LOOKING NATURAL AND FRESH IS TO USE A HIGHLIGHTER EVER SO LIGHTLY.

## *Accessorise it*

Take it back to the 80s with the zigzag headband, also known as a comb headband. Great with every hair type, you can use it for anything – from a bun to loose hair.
